## CARDINALS SIGN LATTIMORE AND BIBBS

CHAMBERSBURG, PA, May 20—The Chambersburg Cardinals are pleased to announce the signing of Keon Lattimore and Mike Bibbs for the 2011 season. Lattimore and Bibbs both come to the team with NFL experience.

Lattimore, a former running back with the University of Maryland is no stranger to the NFL, having trained with teams like the Dallas Cowboys. His brother, Ray Lewis has played fifteen seasons with the Baltimore Ravens.

"I've been around the NFL and that's where I wanted to stay," Lattimore said. "There's no doubt in my mind that I'm here for a reason and I will get back to where I want to be."

"We are trying to build a platform for these guys who are driven and dedicated to get to the next level of play," Head Coach Chad Fauson said. By joining the GDFL, Fauson is taking the Cardinals to a new level of football, one that projects itself as a prospective feeder system for NFL and CFL teams.

"You always want to play with the best of the best, that is what attracted me to the Cardinals organization," Lattimore said on choosing to sign with the Cardinals.

Bibbs, a former Big 12 Conference player, made 67 tackles and had two interceptions over two years at Iowa State and led the Cardinals' linebackers to victory last season.

The Chambersburg Cardinals look forward to June 25 when they will face the New Jersey Stags for their first match since winning their league's championship last season.
