FOR IMMEDIATE RELEASE

Chambersburg Cardinals dominate the Waynesboro Tigers 76-0

CHAMBERSBURG, PA, August 9, 2011— The Chambersburg Cardinals defeated the Waynesboro Tigers 76-0 on Saturday night in a non-league professional football game.

There was not much the Tigers could do to stop the Cardinals from scoring, no matter which side of the ball they were on.

Chambersburg's defense scored after Tappah Dinall recovered a fumble. The punt return team scored twice, once on James Rockymore's block and following an 11-yard return, and when Ivan Randolph ran back a punt 61 yards.

They scored through the air. Quarterback Josh Finafrock passed for three touchdowns, all to backs. Keon Lattimore caught a pass 57 yards for a touchdown on the first play from scrimmage, and soon after scored on a 67-yard pass-run play. Fullback Craig Heyward added a touchdown catch after Finafrock had dropped the ball, picked it up and found Heyward.

The Cardinals could not be stopped on the ground. Craig Heyward had runs of 1 and 5 yards, Dustin Mowen ran it in from 35 and 41 yards out, and wide receiver Jerell Jones ran 44 yards to the end zone.

Heyward said, "It was a different atmosphere. We just had to take care of business and tune up on some things we needed to work on."

The Tigers totaled only 8 yards from scrimmage. Cardinals J.P. Marshall and Darnell Christian picked off passes. "It was a strange game to coach," Fauson said. "We wanted to get the work in, but we had lots of guys playing more than usual and in different positions."

Waynesboro quarterback Josh Leininger said, "We never hesitated. We wanted to come play. We have a lot of friends on their team and we wanted to come play some hardball. They needed a game, so why not play in a beautiful stadium like this?"

The Cardinals last regular season home game will be played this Saturday, August 13 at Trojan Stadium against the New Jersey Stags.
